2 x Bernard Moss Studio Art Pottery Pin Dishes Pentewan Cornwall

Two delightful little Bernard Moss pin dishes to add to any collection.

On close inspection here is some crazing to the glaze and what looks like a hairline crack to one of the dishes

Measuring approx. 3.5" (9cm) diameter.

PayPal is the preferred payment option.

Cheques and POs are accepted but the item will not be posted until the payment has cleared.

Please note that I am not a business seller and so have a no returns policy unless the item is not as described. I always try to describe items as best I can but I am no expert, the photos in the listing form part of the description, but if you need more information or photos then please ask.

Please leave feedback when the item arrives to let me know it is there safely, my five stars ratings are important to me so please contact me if you have any problems with the transaction that I can help with. I will leave feedback as soon as I hear item has arrived safely.

I will wrap items well for transit and I always get proof of postage.

The P&P charge includes materials, (although I do recycle as much as possible), and the cost of getting to the Post of Office. Always happy to combine P&P on multiple items, please ask if items are ending on different days.

International buyers - if you don't want to go through the Global Shipping program please ask for a P&P quote for your particular country before any bidding has started.
